Avanti®

We're Big In Compact Appliances

We specialize in compact appliances so you can live your best life even when space is at a premium. From apartment life, to the office, hotel suites, the dormitory, and everywhere in between, we have space-conscious appliances that will fit your needs.

Since 1972, we have been a trusted leader in the appliance industry. As compact appliance experts, we're dedicated to helping you get the most out of your small space – from refrigerators and freezers, to wine coolers, beverage centers, ice makers, kitchen appliances, laundry, water dispensers and outdoor appliances.

The Avanti Advantage

We design and manufacture quality, compact appliances at a great value, backed by our national distribution and in-house customer service network.

SUPERIOR VALUE

We operate every aspect in-house, from engineering to testing and quality control, so you only get the very best appliances for a great price.

IMPECCABLE SERVICE

Our national service network handles customer service, sales assistance and help scheduling warranty services.

FAST DELIVERY

Headquartered in Weston, FL, we have three dedicated distribution facilities and over 7,000 partners across North and Central America.

SPACE-SAVING EXPERTS

We design and deliver quality, space-conscious appliances and service to fit our customers needs.

Automatic or Manual Defrost

1 Year Manufacturer
Limited Warranty

A woman with long brown hair, wearing a white and blue striped shirt, is smiling and looking to her left. She is in a kitchen, standing at a wooden table. On the table, there is a wooden cutting board with several mushrooms, a glass bowl containing a salad with green herbs and red tomatoes, and a wooden spoon. In the background, there is a white refrigerator and a brick wall. A semi-transparent green horizontal band is overlaid across the middle of the image, containing the word 'REFRIGERATORS' in white, bold, uppercase letters.

REFRIGERATORS

1.6 cu. ft. Compact Refrigerator

RM16J0W / RM16J1B

- Two-liter bottle storage on the door
- Separate chiller compartment for short-term storage
- Removable wire shelf
- Full-range temperature control
- Space-saving recessed door handle
- Reversible door, left or right swing

2.4 cu. ft. Compact Refrigerator

RM24T1B

- Two-liter bottle storage on the door
- Separate chiller compartment for short-term storage
- Two removable wire shelves
- Full-range temperature control
- Space-saving recessed door handle and flush back design
- Reversible door, left or right swing

3.3 cu. ft. Compact Refrigerator

RM3306W / RM3316B / RM3336SS

- Two-liter bottle storage on the door
- Separate chiller compartment for short-term storage
- Adjustable door bins and glass shelves
- Full-range temperature control
- Space-saving recessed door handle and flush back design
- Reversible door, left or right swing
